

ADVANCED SENIOR LEADERS PROGRAM

TRANSFORM YOUR LEADERSHIP STYLE AND IMPACT AT OPAL HEALTHCARE

Our pinnacle leadership program focuses on transforming your leadership to create a positive far reaching impact that is lasting. This program is designed to enable you as a leader to do the following:

Key outcomes from this program are:

- Challenge worldwide based leadership research
- Stronger networking capability and influencing skills
- Holding teams, individuals and yourself accountable
- Overcome limiting mindsets to anchor real behavioural change
- Connecting and mobilising teams for positive action

At Opal HealthCare we know that companies don't succeed, people do and our teams succeed because our leaders focus on three areas: leading themselves, leading others and leading through change in our programs to deliver the Essentials of High Performance.

ADVANCED SENIOR LEADERS PROGRAM OVERVIEW

This is a structured four month intensive program in partnership with Western Sydney University where development is provided in a range of ways to support a fast track program.
