

CSO TRAINEESHIP PROGRAM

**START A CAREER WITH US
THAT YOU CARE ABOUT**

Our Care Support Officer (CSO) Traineeship program gives you more than just a Certificate III in Individual Support. It gives you competence and confidence through a structured program that supports you to earn as you learn.

You will receive:

- An intensive orientation to set you up for success from the start – no qualification required
- Online learning, weekly training sessions and competency assessments to prepare you for your traineeship with confidence
- A supportive guide to answer your questions and give you advice
- Enrolment in a traineeship with work placement at our care community that it is easy and familiar.
- A qualification – Certificate III in Individual Support
