

# TRAINEESHIP PROGRAMS

**EARN AS YOU LEARN HERE  
TO STEP UP YOUR CAREER**

Opal HealthCare partners with leading Registered Training Organisations (RTOs) to support you to gain qualifications for your career. Our programs give you competence and confidence through a structured framework that supports you to earn as you learn.

Our Traineeship Programs follow this process but are flexible depending on circumstances

You will receive:

- An intensive orientation to set you up for success to take your next step – no qualification required
- Online learning, regular training sessions and competency assessments to prepare you for your traineeship with confidence
- A supportive guide to answer your questions and give you advice
- Enrolment in a traineeship with work placement at our care community for practical experience in a familiar place.
- A professionally recognised qualification
